ROOF BARS

DRIVE YOUR STYLE

READY TO GO!

Our roofbars range are developed with the aim to simplify the mounting for every kind of vehicle.
We think we have reach this point.
Thanks to our pre-assembled and easy fixing roof bars we have recently received a patent pending confirmation.
Our products can be designed to fit every kind of car's roof: open railings, closed or integrated roof rails or with specific fixing points.
G3 wants to offer its know-how and its machines to concept and produce the best fitting roof bar according with customers specifications.
Safety and quality firs of all, of course.
